Dear Vedhas,

We are pleased to confirm your internship with Lexian and Jurian Facilitation Services LLP for the period May 2025 to June 2025, in the field of Website Development.

During the tenure of your internship, you will be engaged in activities related to the development, structuring, and management of websites, which includes designing, backend structuring, user interface improvement, and optimisation for professional and business use. You are expected to contribute sincerely to the tasks and follow the professional standards set by our organization.

Your internship is intended to provide you with practical knowledge and exposure to the real-time development of digital platforms and to support your career aspirations in the tech domain. We appreciate your willingness to learn and contribute, and we believe this internship will be mutually beneficial.

We wish you all the best for your journey with us.

Warm regards,
